SAFE
ASSOCIATION

Presents our

50th Annual SAFE Symposium

October 22-24, 2012
at the
Grand Sierra Resort and Casino
Reno, NV

PAPERS, PANELS, WORKSHOPS, AND PRODUCT DEMONSTRATIONS PLANNED AT ANNUAL EVENT

➢ The SAFE Association is presents its 50th Annual Symposium. SAFE provides a forum for Government, Military, Industry, and Academia to discuss the current state-of-the-art concerning the protection of aviation, space, land, and marine users and operators.

➢ The Symposium provides an international venue for the exchange of technical information, product and service exhibitions, and the showcasing of industry capabilities for meeting challenges in vehicular occupant protection and personnel-worn safety equipment. The SAFE Symposium is attended by acquisition and technical leaders from worldwide industry, governmental, and military agencies.

➢ You are invited to participate in this three day event and submit an abstract for technical paper and panel sessions, workshops, lectures, and product demonstrations.
