Presents our

55th Annual SAFE Symposium

October 30 - November 1, 2017
Caribe Royale Hotel and
Convention Center
Orlando, Florida

Averaging over 500 attendees and exhibitors each year, the SAFE Association looks forward to another event, information, and opportunity-filled Symposium. Please take time to consider the 55th Annual SAFE Symposium for representing your firm, command, agency or institution interests.

SAFE offers a diverse attendee demographic with nearly all the suppliers serving the markets identified. Many safety and survival professionals make the annual SAFE Symposium their #1 priority meeting each year, with many scheduling design reviews, technical interchange meetings, and supplier coordination meetings during this event.

For further information on the 55th Annual SAFE Symposium, please contact:

**SAFE Association
Post Office Box 130
Creswell, OR 97426-0130
Phone (541) 895-3012
Fax (541) 895-3014
Email: safe@peak.org**

SUPPORT SAFE - BECOME A MEMBER

The primary objective of the SAFE Association is to stimulate research and development in the fields of safety and survival, and to disseminate pertinent information to concerned individuals in government and industry. In addition, the objective is to establish and maintain a meaningful relationship between the SAFE Association and the scientific communities related to safety and survival.

SAFE's world-wide chapters sponsor meetings and workshops that provide a forum for the exchange of ideas, information on member's activities, presentation of new equipment, and procedures encompassing government, private, and commercial application in the related disciplines of safety and survival.

SAFE publishes a quarterly Newsletter and Proceedings of the Annual SAFE Symposium.

SAFE recognizes achievements and outstanding contributions in the fields of safety and survival at our prestigious awards presentations held during the annual Symposium.

In addition to Corporate Sustaining membership, SAFE offers retired, student and individual memberships.

See our website – www.safeassociation.com for student and retired membership information and applications for all levels of membership.

Corporate Membership - Benefits for each Corporate Representative include the quarterly SAFE Newsletter, annual Proceedings, voting privileges for SAFE Board of Directors, annual award nominations, reduced registration to the annual SAFE Symposium and all symposium-related mailings.

Individual Membership - Benefits include quarterly SAFE Newsletter, annual SAFE Proceedings, all SAFE-related mailings throughout the year, and reduced registration rate at the annual SAFE Symposium.

Additional membership information can be found on the SAFE website: www.safeassociation.com

PAPERS, PANELS, WORKSHOPS, AND PRODUCT DEMONSTRATIONS PLANNED AT ANNUAL EVENT

➤ The SAFE Association is presenting its 55th Annual Symposium. SAFE provides a forum for Government, Military, Industry, and Academia to discuss the current state-of-the-art concerning the protection of aviation, space, land, and marine users and operators.

➤ The Symposium provides an international venue for the exchange of technical information, product and service exhibitions, and the showcasing of industry capabilities for meeting challenges in vehicular occupant protection and personnel-worn safety equipment. The SAFE Symposium is attended by acquisition and technical leaders from worldwide industry, governmental, and military agencies.

➤ You are invited to participate in this three day event and submit an abstract for technical paper and panel sessions, workshops, lectures, and product demonstrations.

2017 ABSTRACT DEADLINE

**ABSTRACTS FOR ALL TECHNICAL
PRESENTATIONS – JULY 21st**

**No extension of this year's
deadline will be given**

**Previous exhibits, technical sessions,
workshops, and product demonstra-
tions have emphasized safety, protec-
tive equipment, and developments in
the disciplines of:**

- **Accident Investigation**
- **Aircraft Arresting Systems**
- **Aviation Escape Systems**
- **Biodynamics and Physiology**
- **Crash Safety**
- **Directed Energy Protection**
- **Energetic Materials**
- **Environmental Environments**
- **Ground Vehicle Protection**
- **Hearing Protection**
- **Human Factors**
- **Individual Flight Equipment**
- **Life Support Systems**
- **Modeling and Simulation**
- **NBC Protection/CBRN PPE**
- **Ocular and Night Vision Systems**
- **Occupant Crash Protection**
- **Oxygen Systems/PBE**
- **Personnel Recovery**
- **Search and Rescue**
- **SOF Equipment**
- **Survival Equipment and Aids**
- **Test and Evaluation**
- **Technology Transfer**
- **Training and Simulation**
- **Troop Protection**
- **Windblast Protection**

**All available information related to the
Symposium is also posted at:
