

SAFE RETIRED MEMBERS

The SAFE Association is pleased to announce the establishment of a special membership rate for retired members of our community. The criteria for this special category follows.

Those members of the SAFE Association-related technical fields who are fully retired will qualify for the special rate of \$20.00 per year. These persons must not be engaged in any form of consulting, part-time, or paid work and must truly be retired.

This \$20.00 annual fee will entitle them to all SAFE member benefits including the SAFE Newsletter and SAFE Journal. They will, however, not be entitled to special symposium registration rates, and will pay the SAFE member pre-registration or at-the-door rate should they wish to attend the Symposium.

Below is the information required for Retired Membership Status:
