What is SAFE?

The SAFE Association is an international organization that is dedicated to the preservation of human life. It provides a common meeting ground for the sharing of problems, ideas and information. The primary objective of the SAFE Association is to stimulate research and development in the fields of safety and survival, and to disseminate pertinent information to concerned individuals in government and industry. In addition, the objective is to establish and maintain a meaningful relationship between the SAFE Association and the scientific communities related to safety and survival.

Why Become a Sponsor...

You have a chance to ***highlight your company*** by choosing from a variety of sponsorship opportunities. We believe there is a sponsorship package that meets your goals, works within your budget and exceeds your expectations.

Increase Your Brand Exposure!

Sponsorship enables you to:

- Strengthen the visibility and awareness of your company's products / services to attendees
- Enhance your image as a company committed to Safety and Survival

{Make your presence and commitment known}

- Position your company as engaged with the needs/ concerns of our industry leaders and customers
- Increase your sales results
- Increase your visibility within the community

Who Attends?

Access a focused segment of a **unique international military/civilian safety and survival market**

Your sponsorship will reach:

- SAFE members and symposium attendees from around the world.
- Government & industry leadership
- Representatives from the DoD and academia.

The SAFE symposium is a major gathering of academics, key customers and suppliers who evaluate, assess, recommend and select equipment, supplies and services.
