## 56<sup>th</sup> Annual SAFE Symposium

**October 15 – 17, 2018  
Grand Sierra Resort  
Reno, Nevada**

Averaging over 500 plus attendees and exhibitors each year, the SAFE Association looks forward to another eventful, informational, and opportunity-filled Symposium. Please take time to consider representing the interest of your company, command, agency or institution at the 56<sup>th</sup> Annual SAFE Symposium

SAFE offers a diverse attendee demographic with nearly all of the suppliers serving the markets identified. Many Safety and Survival professionals make the annual SAFE Symposium their #1 priority meeting each year, with many scheduling design reviews, technical interchange meetings, and supplier coordination meetings during this event.

## **SUPPORT SAFE - BECOME A MEMBER**

The primary objective of the SAFE Association is to stimulate research and development in the fields of safety and survival, and to disseminate pertinent information to concerned individuals in government and industry. In addition, the objective is to establish and maintain a meaningful relationship between the SAFE Association and the scientific communities related to safety and survival.

SAFE's world-wide chapters sponsor meetings and workshops that provide a forum for the exchange of ideas, information on member's activities, and presentation of new equipment, and procedures encompassing government, private, and commercial application in the related disciplines of safety and survival.

SAFE publishes a quarterly Newsletter and Proceedings of the Annual SAFE Symposium.

SAFE recognizes achievements and outstanding contributions in the fields of safety and survival at our prestigious awards presentations held during the annual Symposium.

In addition to Corporate Sustaining membership, SAFE offers retired, student and individual memberships. See our website – [www.safeassociation.com](http://www.safeassociation.com) for student and retired membership information and applications for all levels of membership.

**Corporate Membership** - Benefits for each Corporate Representative include the quarterly SAFE Newsletter, annual Proceedings, and voting privileges for SAFE Board of Directors, annual award nominations, reduced registration to the annual SAFE Symposium and all symposium-related mailings.

**Individual Membership** - Benefits include quarterly SAFE Newsletter, annual SAFE Proceedings, all SAFE-related mailings throughout the year, and reduced registration rate at the annual SAFE Symposium.

Additional membership information can be found on the SAFE website: [www.safeassociation.com](http://www.safeassociation.com)

## PAPERS, PANELS, WORKSHOPS, AND PRODUCT DEMONSTRATIONS PLANNED AT ANNUAL EVENT

➤ The SAFE Association is presenting its 56<sup>th</sup> Annual Symposium. SAFE provides a forum for Government, Military, Industry, and Academia to discuss the current state-of-the-art protection of aviation, space, land, and marine users and operators.

➤ The Symposium provides an international venue for the exchange of technical information, product and service exhibitions, and the showcasing of industry capabilities for meeting challenges in vehicular occupant protection and personnel-worn safety equipment. The SAFE Symposium is attended by acquisition and technical leaders from worldwide industry, governmental, and military agencies.

➤ You are invited to participate in this three-day event and submit an abstract for technical paper and panel sessions, workshops, lectures, and product demonstrations.
