Room Reservation must be received on or before October 1, 2020, to be able to receive the 2020 SAFE rates.

Cancellation policy: Hotels require a one night's room deposit, per room, to guarantee accommodations. Hotels accept all major credit cards for deposit, which is refundable if cancellation is made 72 hours prior to arrival. The deposit guarantees the sleeping room until 12:00 Midnight on the scheduled arrival date. If guest will arrive after midnight, they must call to assure the room is held.

If you are contacted by companies offering to provide individual rooms or small room blocks at less than SAFE contracted rates, please do not do business with them. While the SAFE room rate may be a few dollars more than the rates quoted by these companies, this is because SAFE negotiates directly with the hotel to obtain the best price and amenities for our attendees.

SAFE is financially liable for all contracted rooms whether the hotel sells them or not. This policy is why we ask that you always book your rooms under the SAFE block. We work diligently to give all attendees the best overall experience at our annual symposium and we thank you for your continued support.

If you are contacted by the "Exhibition Housing Company" "Global Housing" or any other company claiming they are the "official" housing service for the 2020 SAFE Symposium, and that they can obtain significant reductions for you on rooms, please do not do business with them. SAFE has made no arrangement, nor does it plan to, for the utilization of a 2020 sleeping room or housing service.

Management at the Hotels have reported this is becoming more of an issue across the country each year. They have also advised that these types of

operations get as much money as they can, close shop, and move. **They will take your deposit and run!**
